The FIS Masters Cup races at Northstar CA on Feb. 7-9 are also the Western Region Championships. Competitors age 30+ must have a current FIS Masters license; competitors 29 and under are eligible only for US masters awards. All competitors must have a current US Masters membership.

The date and location of the 2020 Masters National Championships are still to be confirmed; the preferred dates that we are trying to schedule are the third week of March. The national championship DH and the nationals SG are typically the final events in the 2020 National Speed Series (NSS).

Additional details along with information on training opportunities will be published in the fall. Mammoth Mountain will once again be holding a masters training camp on Dec. 9-13, the week prior to our season opening races on Dec. 14-15.

Race registration will be available on skiracereg.com/fw in the fall.
